Working together to protect Lake Simcoe: for our future

Small businesses can do big things. It's businesses like yours that have built the local economy and it's you who can make it even greater - and greener.

We all love Lake Simcoe for its natural beauty. That's why we choose to live and work here, and it's why visitors keep coming back - to enjoy the pristine waters and outdoor recreation. In light of climate change and dwindling resources, we know we must protect Lake Simcoe, the very resource our tourism industry depends on.

This means taking responsibility for the impact of your business on the

Clean Marinas

What does it take to become a Clean Marine member?

Since 2001, Boating Ontario member marinas have been enrolling in the Clean Marine Program to ensure the protection of our waterways for all to enjoy.

Local Green Leaders

*Lefroy Harbour Resorts holds esteemed
Clean Marine eco-rating*

The largest lake within the Trent Severn waterway, Lake Simcoe is a true boater's haven. Home to dozens of marinas, recreational boating and fishing are popular pastimes that embody Lake Simcoe's rich heritage.

environment. Simple, low-cost actions to incorporate sustainability practices will reduce your operating costs and carbon footprint.

Together, we can move Lake Simcoe towards becoming a climate-friendly community. Your pocketbook will thank you and so will your customers. Did we also mention it's the right thing to do?

To see where you can improve on your triple bottom line download the free **Green Tourism Toolkit**. You can request one specific to your sector.

Green Tools for Marinas

Actions you can take today to lighten your footprint

As stewards of the lake, boaters and marina operators hold special responsibility in taking care of our waterways. Employing environmentally friendly practices such as using nontoxic antifouling paint, spill-proofing oil changes and recycling shrink wrap and waste, are just a few steps water lovers can take to protect Lake Simcoe.
